

Our Community Enterprise

Our Community Enterprise is a social enterprise company providing professional consultancy services in the areas of funding, business planning, project management and sports development. We work with a range of public, voluntary, charitable and educational sector organisations.

We have a small team of consultants available to help our clients in the different stages of the project lifecycle and specialise in the following areas:

- Stakeholder & needs analysis
- Feasibility studies
- Business planning
- Sports development planning
- Fundraising strategy
- Bid writing
- Project management

Our Community Enterprise has an established partnership with Get Berkshire Active.

Club offer

- Access to exclusive offers including discounted services and free, no obligation initial consultation

Services for clubs

- Stakeholder & needs analysis
- Feasibility studies
- Business planning
- Sports development planning
- Fundraising strategy
- Bid writing
- Project management

Why OCE?

We have significant experience of the community sports sector and a track record of helping our clients secure funding from both local and national funders (such as Sport England, the Football Foundation and the RFU) for a range of capital and revenue projects. Examples of the types of projects we have helped secure funding for include:

- 3G astroturf pitches
- Grass pitches & playing fields
- Club houses and changing facilities
- Swimming pools
- Community sports activities & coaching

Exclusive offers to Team Berkshire Clubs

- Team Berkshire members are entitled to receive a free consultation with Our Community Enterprise to discuss their fundraising requirements
- In addition; 10% discount on our standard fee rate
