## PRIMARY SCHOOL HANDBOOK 2018/19

Further information on sports competitions can be found on [www.getberkshireactive.org](http://www.getberkshireactive.org)

## Introduction

Welcome to the Berkshire School Games. This Primary School Handbook provides details of all the entry requirements for each of the competitions running at County level as well as some general information.

There are three delivery mechanisms for the County level events in Berkshire.

### 1. Badged Events

These events are standalone events run during the school day- typically for an afternoon or morning though sometimes are all day events.

### 2. Winter Games

This is a multisport event day held at **Bisham Abbey -27th March 2019**. Teams should expect to attend all day. Timings of events will be announced early March.

### 3. Summer Games

This is a multisport event day held at **Bisham Abbey – 28<sup>th</sup> June 2019**. Teams should expect to attend all day. Timings of events will be announced early June.

## Eligibility in County level events

Last academic year we made some significant changes to the formats of many of the competitions, in order to increase the number of schools and participants accessing the County level events. Both School Games Organisers and the Berkshire School Games Local Organising committee have Key Performance Indicators this academic year (expected by funders) which expect us to broaden participation to allow a larger proportion of young people to access competitions. We feel many of the changes we made last year anticipated this direction and therefore there is not a need to make any significant changes, however, we have taken on board feedback from schools and NGBs and made some tweaks in order to simplify the language and give clearer direction on eligibility and guidance.

## Inclusive Competitions

We are introducing a number of new competitions/festivals to provide more opportunities for more young disabled people from mainstream and special schools to take part but we also hope that all schools will review the integration of young disabled people into all of the competitions/festivals. Special schools interested in taking part in any of the mainstream competitions should speak with their SGOs about how the eligibility criteria can be adapted to support them taking part in School sport network level competitions.

## Late withdrawals and no shows

We understand the difficulties that schools have getting teams to attend the Berkshire School Games in light of other school pressures. Every year we gather feedback from schools and participants and one of their biggest frustrations is the lack of team entries in some of the competitions on the day. With only 8 max. teams in the majority of the competitions the knock on effect of a withdrawal can be huge for both the organiser (who has already planned the playing schedule) and those schools that have taken the day out of school for an event and expect to play a number of 'matches'. We ask schools consider an earlier withdrawal (min 2 weeks) that enables SGOs to find a replacement school.

## FORMAT OF COMPETITONS & REPRESENTATION

We will be using the following format for the 2019 County level School Games events. We will run 5 styles of events:

 <p><b>Competitive</b></p>	<p>Truly competitive events with no eligibility criteria set (though may have gender splits). Winner of School sport network level competitions to compete at County level. A school may enter any number of competitive events at County level. However, if they are unable to field all teams for which they win at School sport network level team for the correct age group e.g. Yr 5/6 for a Yr 5/6 competition they should not send younger children as an alternative and instead should allow the 2<sup>nd</sup> or 3<sup>rd</sup> place teams to take their place.</p>
 <p><b>Developing New Players</b></p>	<p>Eligibility criteria is set to engage new (novice) participants into the sport. Entry is unrestricted; a school may enter any number of these events at County level.</p>
 <p><b>Broadening Participation</b></p>	<p>Sports/Competitions that we feel provide opportunities for schools to involve different children in representing their school if they so wish. We understand that small schools may not be able to do this. Schools may represent their area in only one of these competitions per age group e.g. Year 3/4 and Yr 5/6 at each of the two main event days (but any number of badged events). A school may still represent in one of these competitions even if they are taking part in the competitive competitions (but ensure they can field all teams appropriately). The schools involved in these competitions will be the winners of the School sport network level events (where they are in place). If a school wins more than one School sport network level competition, they may select which competition they wish to attend. The second then third placed team will then be asked to represent the SSN in the other competition. Schools may want to consider opening up the opportunity to different pupils at the School sport network level events if they have already won a L2 event in this category.</p>
 <p><b>Inclusive</b></p>	<p>Competitions that include young people from both special schools and mainstream schools. Entry is unrestricted, a school may still represent in one of these competitions even if they are taking part in the other competitions.</p>
 <p><b>Festival</b></p>	<p>Opportunities for pupils to participate and represent their school at a County level event in a format that is less competitive; no medals are awarded. These schools will be identified by the SGOs. There is no link to School sport network level competitions. Ideally, schools will be identified who are not regular attendees at County level events.</p>

## School Responsibilities

The Berkshire School Games is a school event and it is expected that all teams travelling will be attending as a school team. As with all school trips you are required to complete your regular off site forms for your school. We expect all teams to abide by their school policy on use of adult helpers to support the teams travelling to the event and providing support on the day. The school will have ultimate responsibility for the safeguarding their pupils at the event. Schools should **bring First Aid kits and First Aiders to all events**. Please note that we provide paramedics support at both our multisport event days but not our Badged Events.

Please ensure that all your team members have the following parent/carer consent in place prior to the day:

- Attendance at this event,
- Travel arrangements
- Photographic/Video permission to include use of photographs/video footage in Berkshire School Games promotion for this and future media use. You are asked to evidence photographic consent and agreement to the code of conduct on the Registration Form
- Registration forms must be signed by the **Headteacher** and bought on the day.

## Photographic/Video consent

All pupils without photographic consent will be asked to wear a wristband on the day; this will be provided at registration. Teachers are asked to help ensure these pupils are not photographed. Registered photographers will be made aware not to take photos of these individuals and all in-house publicity shots will be checked before publication. Parents should be made aware that their child may appear in long shot or wide frame pictures but we will endeavour to ensure they won't be identifiable. Spectators may also take photographs. If parents are not happy with this then they should not send their child to the event. Photo and video footage will be used for promotional purposes by Berkshire School Games and its partners.

## Registration

On arrival at the events, each team should make its way to the Registration area. Team Managers are responsible for completing the registration form. Teams **WILL NOT** be able to take part in competitions without a registration form signed by the Head teacher. Further information will be sent to schools ahead of the County level events.

## Young Officials

The Berkshire School Games is an event for young people run by young people. We are proud of our record of over 400 young people being involved in running the events each year. We endeavour to train young officials and leaders to support the delivery of all the events but we ask staff, parents and pupils to be mindful that they will not be experts yet and to keep this in mind when dealing with our fantastic young officials and leaders.

## Code of Conduct

Registration forms ask schools to agree to the following code of conduct which is based around the 7 Olympic & Paralympic Values. You may feel that you would like to ask each participant to sign a code of conduct as part of their attendance to highlight the link to the Olympic & Paralympic Games.

### ***Code of Conduct for Team Managers and on behalf of their participants and adult helpers***

***As a responsible Team Manager you, your adult helpers and participants will:***

- **RESPECT**  
*Cooperate fully with others involved in the sport such as officials, team managers and representatives of the governing body (sports leaders) in the best interests of the participants and competition.*
- **EQUALITY**  
*Respect the rights, dignity and worth of every participant, official and others involved in the event. Challenge inappropriate behaviour and language by others. Treat everyone equally.*
- **DETERMINATION**  
*Take responsibility for yourself and your team at all times. Be well mannered and sensible at all times*
- **EXCELLENCE**  
*Consistently promote positive aspects of the sport such as fair play and never condone rule violations or the use of prohibited or age-inappropriate substances. Encourage your team to do the best they can.*
- **INSPIRATION**  
*Be a role model and lead by example. Refrain from swearing and abusive language and irresponsible behaviour including behaviour that is dangerous to yourself or others. Not carry or consume alcohol and/or illegal substances.*
- **FRIENDSHIP**  
*Encourage everyone to work together to achieve their best when competing and to support each other through the day. Make friends with new people.*
- **COURAGE**  
*Ensure that all team members show sportsmanship at all times and challenge those who do not.*

If a young person is regularly competing, they already get plenty of other opportunities to play we would still encourage schools to involve these young players by giving them a role such as team captain or assistant coach. Players must not have a rating at ORANGE 3, 2, 1 or 1* or GREEN 3, 2, 1 or 1*</p> <p>Ratings of players can be checked here by providing 2 pieces of information on the <a href="#">LTA website</a></p>
<b>BASIC RULES</b>	<p>Court dimensions 12m x 6m</p> <p>Singles format. Matches will be played in a tiebreak format with simple scoring (1-0, 2-0, 2-1, 3-1 etc). Matches will either be first to 10 with sudden death at 9-9 or will be timed (i.e. 5 minutes). Players should be seeded 1-8 strictly by ability &amp; irrespective of gender.</p> <p>Each seed will play matches against opponents of corresponding seed (i.e. seed 1 vs seed 1, 2 vs 2, 3 vs 3 etc).</p> <p>The ball may bounce once only and must land within the confines of the court. The ball may not bounce before crossing the net to the opponent's side.</p> <p>Serves may be made overarm or underarm from the back of the court. The ball must travel diagonally and land within the service box and the serve must be made without letting the ball bounce first.</p> <p>'Mini tennis orange' balls will be used, and rackets no longer than 25" will be permitted.</p>
