Declaration of Directors’ interests

46 A Director must declare the nature and extent of any interest, direct or indirect, which he or she has in a proposed transaction or arrangement with the company or in any transaction or arrangement entered into by the company which has not previously been declared. A Director must absent himself or herself from any discussions of the Directors in which it is possible that a conflict will arise between his or her duty to act solely in the interests of the company and any personal interest (including but not limited to any personal financial interest).

Conflicts of interests

47 (1) If a conflict of interests arises for a Director because of a duty of loyalty owed to another organisation or person and the conflict is not authorised by virtue of any other provision in the articles, the unconflicted Directors may authorise such a conflict of interests where the following conditions apply:

   (a) the conflicted Director is absent from the part of the meeting at which there is discussion of any arrangement or transaction affecting that other organisation or person;

   (b) the conflicted Director does not vote on any such matter and is not to be counted when considering whether a quorum of Directors is present at the meeting; and
(c) the unconflicted Directors consider it is in the interests of the company to authorise the conflict of interests in the circumstances applying.

if without:
