Teaching Primary Schools Athletics Webinar Workshop Series

The Webinar Workshop Series is based on our highly successful Teaching Primary Schools Athletics practical workshop* and has been adapted to help provide an easier way for teachers to access this training and further develop their knowledge of running, jumping and throwing.

Supporting Resources

This workshop is accompanied by FREE access to the Teaching Primary Schools Athletics app-based resource. Within this resource teachers will find three **Teaching Sections** covering the main stages of development:

- Ages 5 - 7 Years
- Ages 7 - 9 Years
- Ages 9 - 12 Years.

Within each of the three Teaching Sections teachers will find:

- Two examples of **Schemes of Work**
- Two blocks of six-week **Lesson Plans**
- Over 20 **Activity Cards** covering progressions of running, jumping and throwing activities.

The resources associated with this workshop are provided via the Schools Athletics App, which has been designed to place running, jumping and throwing at the heart of school physical education, whilst supporting teachers in delivering athletics activities in an inclusive, exciting and engaging manner.

Run, Jump, Throw embraces a child's natural desire to move. The resources focus upon running, jumping and throwing, the building blocks of athletics, which in turn underpin nearly all other sports and physical activities.

Candidates will also receive a Certificate of Attendance for the Teaching Primary Schools Athletics Workshop.

For more information and to book a place on this workshop please visit www.EnglandAthletics.org/young-athletes-and-schools/run-jump-throw

*PLEASE NOTE: a practical version of these workshops will still be available in the future at a cost of £650 for a 4-hour workshop or £750 for a 6-hour workshop (maximum 24 candidates). The costs include:

- Full Access to the Primary Schools Teaching Content on the Schools Athletics app for every candidate
- Tutor fees
- Administration fee
