Challenge Three- Fielding- One Stump Shootout

Full Guidance Notes can be found [here](#):

Implementation

1. Identify teams of six and inform pupils of their teams.
2. Send out Activity Card to pupils asking them to practice the challenges through the week.
3. You may wish to explain a little more detail about accessing the videos and guidance from the activity card. You might also like to highlight the adaptations available.
4. Remind them that it is important quality of sportsmanship to be honest and do their best. Taking part is the most important element.
5. Ask them to submit their best scores to you by **3pm on Friday 12th June** or earlier if you prefer.
6. Ensure they provide the scores in the correct form for each challenge e.g. number. You may find it useful to send a table for them to complete.

Scoresheet

If you wish to compete in the Berkshire Virtual School Games make sure you have **signed up by 12th June**. You only need to sign up once for the whole series of events.

Please download the Cricket scoresheet from the [GBA website](#) and save it to include your full school name. If you have a commonly used school name e.g. St Mary's please also include your SGO area. **The scoresheet now allows you to input upto 3 age groups per school on one document.**

Collate and input the results submitted by your pupils, send your compiled results to **schoolgames@getberkshireactive.org by noon 15th June.**

Spirit of the Games

As always we expect all to observe the Spirit of the Games values. We will value participation over everything.

Please ensure that the scores submitted are suitably representative of both the activity and the pupil's ability.
