

School Games Secondary School Offer 2020 (Coming Soon)

In a response to #ReframingCompetition, the Golf Foundation has adapted the StreetGolf competition offer with a focus on providing a personal best challenge supporting those young people who have just transitioned into Year 7/8 and an opportunity to compete against other schools virtually with a standard set of 4 challenges.

My StreetGolf Personal Best (4 Games)

What is it?

Working with PGA coaches we have identified 4 StreetGolf challenges which will help pupils learn, practice and improve their individual skills. These 4 games are split between putting and chipping and test the key fundamental skills of golf such as distance control and aim.

To help pupils, 14 teaching point videos are available via the Golf Foundation website covering the grip, aim, stance and posture which, with practice, will help them achieve their personal best score.

StreetGolf Virtual Competition (4 Games)

What is it?

Test your group against the rest! Gather a team of 5 girls and 5 boys, set a score and enter it online at www.golf-foundation.org and see where your school and team stand in the whole country and your county on the leaderboard.

Each of the 4 games has an individual leaderboard so you can see where you rank on an individual game and are identical to the My StreetGolf Personal Best.

StreetGolf Sixes (6 Holes)

What is it?

Turn your school field into a golf course! Using the StreetGolf equipment you can recreate signature holes from Wentworth, Royal Lytham or The Belfry. Or you can simply design your own course.

Team or individual formats of play can be used including individual stroke play, pair's Texas Scramble

School Games Values Festival (4 Games)

What is it?

The Golf Foundation has assigned 4 of the School Games Values that link best to golf; Self-Belief, Determination, Honesty, Respect.

Over the 4 set games, a pupil can build a personal score based on how they apply these values during the game.

Each of the 4 games are identical to the My StreetGolf Personal Best.

Equipment

Full and half bags of equipment available from Davies Sports.

New: lighter, shortened iron is ideal for smaller or younger players.

Resources

School Games Toolkit

StreetGolf Activity Cards

Virtual StreetGolf platform

Training
