Funding is available for the development of group music making, especially involving young people. Because of the Trust's link with a major composer, the Trustees wish to see composition as central to projects put forward for support. This is a highly competitive fund with only one in four applications being successful. Grants will be made on a one-off basis. Award of a grant in one year does not carry any probability of repeat funding the following year.</p>	<p>Between £500 & £4,000. The average grant is around £2,000</p>	<p>Projects taking place in or out of school, college or university, or in community settings in the UK will be considered. The Trustees will consider applications for first-time initiatives as well as the development of existing projects.</p>	<p>Next Deadline 30 September 2019</p>	 <p>Gwyn Rhydderch Secretary The Michael Tippett Musical Foundation 50 Broadway London SW1 OBL</p>  <p>admin@tippettfoundation.org.uk</p>  <p>http://www.tippettfoundation.org.uk/html/guidelines.htm</p>
